

Center for Junior Scholars
Introduction session for new doctoral candidates

CJS – Team & Structure

CJS & You: Support all way through

- Introduction and information sessions with the faculties
- Support with the initial steps at TU Berlin: registering your doctorate at the faculty, enrollment
- Information on funding opportunities for the doctorate (online portal)
- Information on specificities of the German academic system: courses at ZEWK
 - 100+ workshops and trainings per year, 50 of them in english
 - e.g. how to start writing, how to keep on writing and how to finish your dissertation
- Confidential Conflict Counseling

Berlin University Alliance: **Graduate Studies Support Program (GSSP)**, <https://www.zewk.tu-berlin.de/index.php?id=218874>

Internationalization at TU Berlin

- Information on „How to go abroad“ with e.g. DAAD
 - Manual on Outgoing Mobility online <https://www.tu.berlin/en/go1094/>
 - small budget to support conference travels
- Career Week for international junior researchers with international alumni
- Few DAAD-STIBET completion grants to finish your doctorate (max. 6 months)

proMotion: for female doctoral candidates

Offerings: for all female doctoral researchers at TU Berlin

- information,
- networking,
- training and
- individual coaching.

Goal: support women in their dissertation process

- successfully finish their research projects and find employment in academia and beyond
