# Getting a PhD?

Meet other students  
from your faculty!

We are the WM-Forum, the advocacy group for all scientific staff at Faculty IV.  
In addition to committee work in the Faculty Council we offer...

- ... the opportunity to get to know other doctoral students and share insights and experiences.
- ... information about the process of getting a PhD.
- ... news from the faculty and the university that concern all scientific staff.

Check our our website for more info:
